

URICLEAN

This portable urinal can accommodate three users at once and be connected to a drain. With its heavy-duty lifting ring, suitable for lifting it with a full tank, it can be transported easily from site to site. Combine the Uriclean with your portable toilets during events, as many other operators do. More and more towns now require its use in order to prevent urine damage to public or historic buildings. Its price beats all competition, perfect as a long-term investment.

4MEN

The 4Men meets all men's wishes when it's about using a portable urinal at an event. The time when it was not easy to handle the drinking glasses is over. Indeed, the 4Men has been built with specific places to put drinking glasses to offer a more pleasant experience to the end-user. Easy-to-maintain and easy-to-transport, the two halves can be separated and nest into each other, allowing up to 5 4Men per pallet. Finally, offer more privacy to the end-users thanks to the screens that you can fix on the top of the urinal (optional). Customize the colour with a minimum order of 30 pieces.
